

Bass Pro Short Term Disability Plan

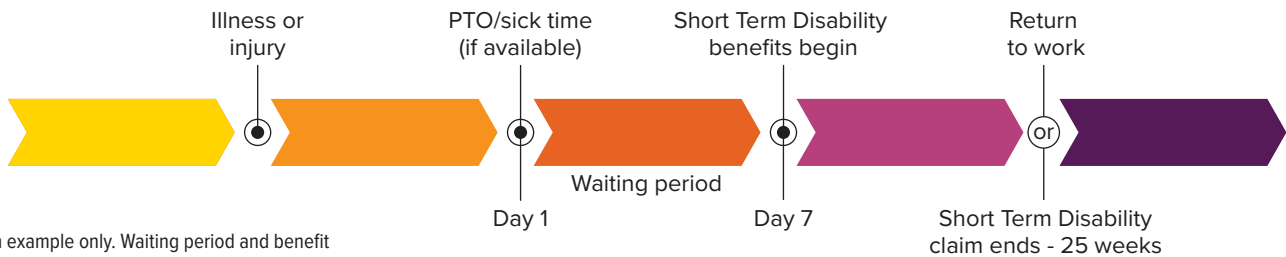

Bass Pro Short Term Disability Plan

In your busy life, the thought of becoming disabled may have never crossed your mind. Would you be able to pay everyday expenses after experiencing an illness, injury, or even child birth that prevented you from working for a period of time? Disability Income Insurance can help by replacing a portion of your income while you are unable to work.

What is Short Term Disability Income Insurance?

Voluntary Short Term Disability Income Insurance provides you with benefits to replace part of your paycheck when you can't work because of a sickness or injury. You may need to meet certain conditions before becoming eligible for benefits, such as completing a waiting period. During the waiting period, you may be able to use your vacation or sick time if offered. Generally, Short Term Disability benefits are paid for a few weeks to a few months.

This is an example only. Waiting period and benefit duration may vary by employer. Please see your certificate for specific plan information.

What are some common causes of Disability?*

- Pregnancy/childbirth
- Arthritis
- Accidental injury
- Back injuries
- Heart disease
- Tendonitis
- Cancer
- Multiple Sclerosis
- Sprains, strains, and dislocations

How can Short Term Disability benefits be used?

When your claim is approved, you will receive weekly benefits to replace part of your income based on your coverage level. While there are a few examples below of how your Short Term Disability benefits could be used, your benefits can be used however you like.

- Everyday expenses, such as groceries, utilities, house payments and car payments
- Medical bills and recovery expenses
- Support services during your recovery

Is this coverage the same as Social Security Disability Insurance?

It could take over one year to receive approval for Social Security Disability Insurance (SSDI) benefits. Additionally, one of the decision points the Social Security Administration uses to determine if you meet their definition of Disability is whether your Disability is expected to last at least a year or result in death. If eligible, your Short Term Disability Income Insurance will provide you with benefits for a portion of the time you are waiting for SSDI benefits to be approved.

Meet Tara

Tara is a single mother who works full-time and slipped on a patch of ice one night. The fall caused Tara to sprain her back, which left her unable to work for a short period of time. Fortunately, she had purchased Short Term Disability Income Insurance through her employer. After she completed the waiting period, her Short Term Disability Income Insurance provided Tara with benefits to replace 60% of her regular pay while she was unable to work. This helped reduce the financial impact of her time off of work. Seven weeks later, Tara's back had healed and she was able to return to work.

\$0	Tara's income while on Disability
-\$900	Monthly rent
-\$200	Utilities
-\$450	Monthly grocery expenses
-\$220	Car payment
-\$390	Other (insurance, gas, entertainment, etc.)
-\$2,160	Monthly expense deficit
+\$2,160	Tara's Monthly Short Term Disability benefit (60% of her normal income of \$3,600)
\$0	Left over after Short Term Disability benefit

The amounts shown above are for illustrative purposes only. A complete description of benefits, limitations, exclusions and termination of coverage will be provided in the certificate of insurance. Actual results may vary.
